

Vermont Association for the Education of Young Children

Annual Early Childhood Education Conference Sponsorship Opportunities 2024

Monday, October 28th and Tuesday, October 29th
Killington Mountain Resort, Killington, VT

The Vermont Association for the Education of Young Children (VTAIEYC) Annual Early Childhood Education Conference is the largest gathering of early childhood educators in the state and consistently sells-out. This event offers high quality professional development for Vermont's early childhood educators and is only possible with the generous support from our conference sponsors and donors.

We invite you to join us as we celebrate early childhood education and promote high-quality professional development, by becoming a sponsor of this keystone early childhood education event.

Once you have selected a sponsorship level, please complete the [2024 Sponsorship Form](#).

More About the VTAIEYC Conference

This event offers over 35 workshops across six breakout sessions, two keynote presentations, and a variety of networking opportunities that give participants the opportunity to engage in new learning and connect with resources, peers, and community partners.

This year's conference will focus on embedding wellness for children and their caregivers in our practices. We are all born creative, curious, and hungry to explore the world around us. The question is how to keep those qualities alive and flourishing as an adult so that we can show up for children and families in both play and leadership.
